SMSC CLUB S&T MEETING **CANCELLED!!**

The SMSC meeting scheduled for **Sunday, 5 April 2020 at 6:30pm at Wests Ashfield, 115 Liverpool Road, Ashfield** has been **CANCELLED!!**

Regrettably, we buckled under the pressure. With very many of our members being over 65 and suffering a variety of medical conditions, and services around us suspending operations or closing altogether, your Board of Management has decided to cancel this meeting.

We will review whether we can proceed with later meetings closer to the dates of those meetings, particularly the Endeavour Group S&T meeting at the home of Mike Kelly scheduled for **Saturday, 9 May 2020.**

All further changes will be notified on the Club's website and Facebook page

In the meantime we are aware that a number of members have (as a precaution) gone into voluntary self-isolation, but social contact with your friends from SMSC should still be maintained by exchange of emails and phone calls.
